

STIPULATION

THIS AGREEMENT, entered into this 23 day of February, 1985, by and between the Kansas State Board of Healing Arts, by and through its Secretary, Richard A. Uhlig, D.O., hereinafter referred to as the Board and Robert B. White, M.D., 117 W. 9th Street, Winfield, Kansas, 67156, hereinafter referred to as licensee.

It is understood and agreed that the licensee and the Board have informally discussed the matters concerning the practice of the licensee.

The Board discussed questions herein involved at its meeting on February 9, 1985, and subsequently it was determined that the stipulation be agreed upon;

This stipulation is being entered into at the request of the Board and is agreed upon by the licensee, the contents of which are as follows:

NOW, IT IS THEREFORE RESOLVED, UNDERSTOOD AND AGREED BY THE PARTIES HERETO AS FOLLOWS:

A. (confidential)

(confidential)

B. (confidential)

(confidential)

C. (confidential)

(confidential)

D. (confidential)

(confidential)

E. (confidential)

(confidential)

F. (confidential)

(confidential)

G. (confidential)

(confidential)

H. That Dr. Snyder's medical skills shall be utilized on a day-to-day basis to review cases coming into the licensee's office, and will also be a contact person to monitor patients that need to be hospitalized and will assist the licensee in selecting appropriate consultation.

I. That Dr. Snyder will run this proposal for two years and at any time that he is not in the area or available he will designate some other person to follow the above program.

J. (confidential)

(confidential)

K. That the Board's Investigator, or other designee of the Board shall monitor licensee's practice within the Board's discretion with licensee cooperating with any request made of him in a reasonable fashion to ensure that the licensee is strictly complying with the above conditions.

L. That the Board and licensee fully understand the conditions herein set forth are intended to be strictly construed and adhered to. That should any of the conditions herein not be fully met, this stipulation agreement will immediately become of no force and effect, and that the Board in its discretion may revoke, suspend, or limit the license of said licensee without the necessity of filing any further pleadings or conducting any further proceedings.

M. That there have been no other agreements or understandings regarding any other matter in question herein other than what has been expressly set out. Further, this stipulation shall be in full force and

effect until and unless either it is rescinded as above set forth by licensee's not adhering to the conditions set forth; or it is modified by written agreement by and between parties.

ROBERT B. WHITE, M.D.
