A. BOC – Care Conference

1. General discussion regarding how master's requirement will affect statutes/laws. Current statutes are dated. BOC Task Force model language.

V. Old Business.

- B. General discussion on current Council vacancy and Mr. Burns submitted for reappointment last week.
- C. Online Licensure.
 - 1. Overall, like the online application option, and the ability to see uploaded PDFs. Concern expressed regarding processing time.
 - 2. Discussed specific examples of increased times for online licensure. Council was told online process would be quicker. Would like detailed information as to licensing procedure.
