- II. Approval of Minutes from February 11, 2016:** Approved (Leinwetter - Dandel)
- III. New Business:**
- A. KAR 100-28a-15:** Ms. Stevens stated there was a technical issue with the cancellation date. By changing the date term from expiration date to cancellation date it changed the renewal period by setting it back 1 month. This would affect PAs that are used to the current period and the Licensing staff. Ms. Stevens will draft the correction which will include a revision and define the renewal period and the term “cancellation date”. She will also include that those with a license issued within 3 months of the renewal period will not need to renew until the following renewal cycle.
- IV. Old Business:**
- A. PA Regulation Amendments and Pending Legislation:** Ms. Stevens stated that the Board and the Academy have been involved in presentations and webinars for PA to discuss the changes. From these contacts there has been some push back from the PAs. The written agreement will need to be refined and the Board needs to create an easier update system. Issues were also discussed with the different practice location and the requirement for a 30 day visit by the physician. This was especially an issue with nursing homes and county health clinics. Following a discussion, it was recommended for KAR 100-28a-14(b) to remove the 30 day requirement and revise with having the supervising physician visit the location at least quarterly for purposes of supervision with written documentation of the visit (Rausch - Wedel). Approved. Ms. Steven will take the information to the full Board on June 10, 2016.
- V. Application Review:** None
- VI. Disciplinary Report:** Ms. Stevens was recused. Closed Session 1:42 (Dandel - Leinwetter). Open Session 2:28 (Dandel-Leinwetter).

VI. Meeting Date: All meetings scheduled for 1:00 on August 11, 2016 and November 10, 2016.

VII. Adjourn: 2:30 (Dansel-Rausch).
