GENERAL INFORMATION AND INSTRUCTIONS FOR REINSTATEMENT

For all information governing Chiropractic Medicine in Kansas, please visit the Statute and Regulation Handbook.

Thank you for your interest in becoming licensed in Kansas. Please read the following information very carefully. This information is vital to the successful completion of your application. Often your questions are covered in this form. Please allow two (2) weeks after the submission of the application before contacting our office. Do not make a commitment to any work dates prior to be licensed.

It is highly recommended you make and keep copies, for your records, of all items submitted for review. In addition, when mailing you may want to request a delivery confirmation to confirm your application has been received at the Kansas State Board of Healing Arts (KSBHA). Portions of the application may be copied and sent to the appropriate place to be completed and mailed directly to KSBHA. Do not fax original forms or documentation to the Board.

One of the missions of KSBHA is public protection through effective licensure and enforcement. One way the public is safeguarded is by issuing licenses to fully qualified, competent and ethical applicants. You will be asked a series of attestation questions. A "yes" answer is not an automatic disqualification from licensure. All applicants are considered on an individual basis. You may be requested to submit additional information or documents to the requirements mentioned herein before the application will be deemed complete to determine whether you are fit for licensure. You should know that licensure is a privilege, not a right. Failure to fully disclose could constitute grounds alone for denial of your application. Please avoid some of the common excuses: "My attorney told me I don't have to disclose." or "I did not think the prior act had anything to do with my profession or that it was still on my record or that it happened so long ago." There is no excuse for not disclosing.

Application fees must be submitted with the application. These *fees are* ***non-refundable*** and will be processed upon receipt. The Kansas reinstatement application fee for DCs is **$400**. Also, a background check fee of **$57** and a National Practitioner Data Bank ("NPDB") report fee of **$3** must accompany the application. This totals **$460**. Board staff directly runs an NPDB report for all applicants. Please do not submit an NPDB self-query. To pay by debit or credit card, complete the Credit Card/Debit Card Authorization Form. Please make all checks payable to the KSBHA. Checks returned for any reason by the payer's financial institution must be replaced by a money order, certified check, or credit card.

For all malpractice claims include a written statement from the insurance company or insurance/personal/institution attorney. Include date of occurrence, name of the insurance company involved in your behalf, name of claimant(s), other defendant(s) and/or institution involved, list of all attorneys involved, case number and location of filing, status of the matter, and summary of the occurrence. Failure to provide complete information will result in delay of processing the application.

You can request verification of many state licenses through Veridoc at www.veridoc.org or call 701-319-6500

The National Practitioner Data Bank (NPDB)Report was mandated by Congress and tracks regulatory board disciplinary actions, certain actions resulting from peer review and malpractice payments. All applicants include a $3 report fee for the Board to obtain the NPDB report.

DC licenses expire on January 31 and are renewed annually. Renewal will be required of all applicants receiving permanent licenses prior to November 1.
